

Hope for Haiti[®]

Greetings! It is with mixed emotions that I write to you today. As of May 1st, I will be stepping down as the President of Hope for Haiti after 21 years. My granddaughter, Tiffany Kuehner, has been selected by the Board of Directors to succeed me. As you may recall, Tiffany has been involved with Hope for Haiti for the past 10 years, including the two years that she spent running Hope for Haiti's programs while living in Les Cayes, Haiti. She is fluent in Creole, French and English. Since the earthquake in January 2010, Tiffany has relocated to the Naples office where she currently serves as the Vice President of the organization, and a member of the Board of Directors. I realize that I may be a little bit

prejudiced, but I can assure you that Tiffany is a very capable woman, and I encourage you to closely observe her leadership skills as she moves Hope for Haiti to new levels of achievement.

It has been my pleasure to serve the people of Haiti for the past two decades, and I can't think of a more qualified person to take the reigns of my "fifth child" than Tiffany. My plan is to stay on as Chairman of the Board for the foreseeable future, with the primary responsibility of providing support to you, and all of our current donors. Please know that I am always available to you at (239) 777-7183, or via email at joanne@hopeforhaiti.com.

Hope for Haiti has come a long way from its humble origin, and its' success could not have happened without YOU. Your friendship and support along this journey has been ever-so comforting to me. I thank you from the bottom of my heart for believing in me and the people of Haiti. I hope that you will continue to support Tiffany in the very same way.

Warmest regards,

JoAnne M. Kuehner, DM
President and Founder
