Just in time for Christmas....

We received 4,688 pairs of DAWGS shoes for the children of Haiti. Thanks to a generous donation (made in memory of Clementine Massoud) these children will no longer walk barefoot to school.

We're half way there. We need to raise approximately **\$4,000** to cover the costs of shipping them to our friends in Haiti. *Will you help us?*

Now is a perfect time to show your support (especially for those of you who may want to make a contribution before the end of the year).

In anticipation of your generosity, we thank you for your help in bringing this special Christmas gift to these children.

A Big THANK YOU to our neighbor Mike from Naples Bumper & Autobody Supply, Inc. who graciously gave of his time and helped load the DAWGS with his forklift.

Please click below to help us ship the DAWGS to our friends in Haiti. Thank you for your support this holiday season.

P.S. Don't forget to note that your donation is to help ship the DAWGS!

Happy Holidays
