Since their entrance onto the music scene in 2012, Jackson Chery & the IET Band has continued to wow audiences with their eclectic sound and intriguing stage presence. Thanks to IET's supersonic unpredictability, the band has an increasingly diverse roster of clientele and has become a top source for live entertainment. In the past few years, IET has traveled to 10 countries; performing alongside Janet Jackson, Calvin Harris, Damien Marley, Elle Varner and Spanish sensation/Grammy winner Lamala Rodriguez.
