Hope for Haiti, Inc. and Affiliate
Naples, Florida

Independent Auditor's Report

We have audited the accompanying consolidated financial statements of Hope for Haiti, Inc. and affiliate (the Organization), which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Hope for Haiti, Inc. and affiliate as of June 30, 2014 and 2013, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

HOPE FOR HAITI, INC. AND AFFILIATE

June 30, 2014 and 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

Hope for Haiti, Inc. is a not-for-profit corporation organized to improve the quality of life for the Haitian people, particularly children, through education, nutrition and healthcare. Fondasyon Kuehner, which commenced operations in August 2011 as a Haitian Foundation, was established in the Republic of Haiti and assists Hope for Haiti, Inc. in carrying out its mission within the Republic of Haiti by managing all operations and programs on behalf of Hope for Haiti, Inc.

Consolidation:

The accompanying consolidated financial statements include the accounts of Hope for Haiti, Inc. and its commonly controlled affiliate Fondasyon Kuehner (collectively, the Organization). All significant intercompany balances and transactions have been eliminated.

Financial Statement Presentation:

FASB ASC 958 Not-for-Profit Entities requires the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. Accordingly, net assets of the Organization and changes therein are classified and reported as follows based on donor-imposed restrictions:

Unrestricted: Net assets not subject to donor-imposed restriction. Such assets are available for any purpose consistent with the Organization's mission.

Temporarily restricted: Net assets subject to specific donor-imposed restriction that must be met by actions of the Organization and/or passage of time. Such assets normally fund specific expenditures of an operating or capital nature.

Permanently restricted: Net assets subject to donor-imposed restriction requiring they be maintained permanently by the Organization. Such assets are normally restricted to long-term investment with income earned and appreciation available for specific or general Organization purposes. The Organization held no permanently restricted net assets at June 30, 2014 and 2013.

Cash and Cash Equivalents:

The Organization considers all highly liquid investments purchased with an original maturity date of three months or less to be cash equivalents.

Contributed Goods and Services:

The Organization is consistent in utilizing Thompson Reuter Red Book and other independent published sources for valuation of its in-kind donations. Gifts-in-kind, which consist primarily of medical supplies and related materials, are reflected in the accompanying consolidated financial statements at their estimated fair values of \$11,159,623 and \$9,614,779 for the years ended June 30, 2014 and 2013, respectively.

HOPE FOR HAITI, INC. AND AFFILIATE

June 30, 2014 and 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributed Goods and Services (Continued):

Many individuals and businesses have donated significant amounts of time and services to the Organization's fund-raising campaigns, policy making committees, and program operations. However, such contributed services do not meet the criteria for recognition of contributed services contained in accounting principles generally accepted in the United States of America and, accordingly, are not reflected in the accompanying consolidated financial statements. While the consolidated financial statements do not reflect values for donated services, management estimates volunteers gave over 3,610 and 5,800 hours of policy, program, administrative and facility support services in the years ended June 30, 2014 and 2013, respectively.

Contributions and Promises to Give:

Contributions are recognized when the donor makes a promise to give to the Organizations that is, in substance, unconditional. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Property and Equipment:

The Organization records property and equipment at cost when purchased or at fair market value when donated. Donated assets are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to thirty-nine years and depreciation is recorded as an expense in current operations. Expenditures for additions, repairs, maintenance, renewals, and betterments that materially prolong the useful lives of the assets are capitalized.

Income Taxes:

The Organization is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code and from state income taxes under Chapter 220.13 of the Florida Statutes.

The Organization assesses uncertain tax positions in accordance with FASB ASC 740 and has determined that all income tax filing positions would be sustained upon examination and, accordingly, has not recorded any reserves or related accruals for interest and penalties at June 30, 2014 and 2013 for uncertain income tax positions.

June 30, 2014 and 2013

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued):

The Organization files tax returns in the U.S. federal and state of Florida jurisdictions. The Organization is no longer subject to U.S. federal or state and local income tax examinations by tax authorities for years before 2010.

Advertising:

The Organization expenses the costs of advertising as incurred. Promotions expense for the years ended June 30, 2014 and 2013 totaled \$43,681 and \$62,160, respectively.

Functional Expenses:

The costs of providing program and supporting services have been summarized on a functional basis in the consolidated statements of activities and changes in net assets. Salaries and related expenses are allocated based on job descriptions and the best estimates of management. Expenses, other than salaries and related expenses, which are not directly identifiable by program or supporting services, are allocated on the best estimate of management.

Use of Estimates:

The preparation of consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the consolidated statements of financial position. Investments are initially recorded at cost if purchased or, if donated at fair market value on the date received. Realized and unrealized gains and losses are recognized as changes in unrestricted net assets unless restricted by donor, in which case the amounts are reflected as temporarily restricted until expended according to the donors' stipulations.

The Finance Committee ensures the investment policy is consistent with the mission of the Organization. If authorized by the Board of Directors, the Finance Committee can invest in interest-bearing savings accounts, Certificates of Deposit, Money Market funds, interest bearing checking accounts, direct obligations of U.S. government, fixed income securities and equity securities. To insure marketability and liquidity, equity investments are executed through nationally recognized exchanges such as New York Stock Exchange, American Stock Exchange and NASDAQ. Investment management of the reserve fund is in accordance with the following asset allocation guidelines:

| <u>Asset Class</u> | <u>Minimum</u> | <u>Maximum</u> |
|--------------------|----------------|----------------|
| Equities | 35% | 45% |
| Fixed income | 55% | 65% |

NOTE I - RISKS AND UNCERTAINTIES

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Organization's investment balances and the amount reported in the consolidated statements of financial position.

NOTE J - CONCENTRATIONS

The Organization maintains its cash and investment balances at several local financial institutions and one foreign institution. Accounts at each domestic institution are insured by the Federal Deposit Insurance Corporation (FDIC) subject to various limits and conditions, while the foreign bank account is not subject to the FDIC insurance protections. The Organization had uninsured cash and investment balances of \$3,310,109 at June 30, 2014.

For the year ended June 30, 2014, the Organization received cash contributions totaling \$1,337,923 from two donors, which represents 41% of its total contributions and special events revenue.
