#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors Hope for Haiti, Inc. and Affiliate Naples, Florida

#### Opinion

We have audited the accompanying consolidated financial statements of Hope for Haiti, Inc. (a nonprofit corporation) and Affiliate which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Hope for Haiti, Inc. and Affiliate as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are required to be independent of Hope for Haiti, Inc. and Affiliate, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope for Haiti, Inc. and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Board of Directors Hope for Haiti, Inc. and Affiliate Naples, Florida

#### Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hope for Haiti, Inc. and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hope for Haiti, Inc. and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### 1. NATURE OF ORGANIZATION:

Hope for Haiti, Inc. (HFH) is an innovative and creative international development organization that has been working in Haiti for over 30 years. HFH partners with private donors to create community-based sustainable change through a grassroots and strategic holistic approach. HFH is an action-oriented and fast-paced organization that believes in partnership solutions to poverty alleviation. HFH's vision for the future is one of strategic growth in creating healthy, sustainable communities and has a distinguished and well-established board of directors that provides HFH with strong governance, oversight, and strategic direction. Building upon a proven track record of success, HFH stays true to its mission and founding principles, while offering a dynamic and supportive work environment. For more information about, please visit www.hopeforhaiti.com.

HFH is a not-for-profit corporation and as such, is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code). Contributions to HFH are deductible from income taxes on the donor's income tax return within the limitations prescribed by the Code. HFH is also classified as a publicly supported organization, which is not a private foundation as defined by Section 170(b) of the Code. HFH's primary source of support and revenue comes from donated goods and contributions from the public.

HFH supports Fondasyon Kuehner (Foundation), an affiliated Haitian foundation which commenced operations in August 2011, by providing funding, volunteers, and goods and services. The Foundation was established in the Republic of Haiti to assist in carrying out HFH's mission within the Republic of Haiti by managing all operations and programs on behalf of HFH. The mission of HFH and the Foundation (collectively referred to as the Organization) is to improve the quality of life for the Haitian people, particularly children. The Organization accomplishes this mission primarily through the program services described below:

*Education*– The objective of our Education Program is to improve the access and quality of education in southern Haiti by investing in and partnering with key education partners and institutions. From 2023-2024, the Organization provided direct cash transfers to subsidize salaries of 391 primary and secondary teachers at 24 partner schools in three departments across the Greater South of Haiti, helped 7,395 students (3,575 boys and 3,820 girls) through back-to-school campaigns.

*WASH*– The objective of our WASH Program is to improve clean water access for people living in southern Haiti, especially women and children. From 2023-2024, in collaboration with local community based organizations, 662 water filtration systems were distributed and participants received hygiene and public health information. We also constructed one new sanitation block at a partner school.

#### 1. NATURE OF ORGANIZATION, continued:

*Healthcare*– The objective of our Healthcare Program is to improve the access and quality of healthcare for people living primarily in the Greater South of Haiti. From 2023-2024, the Organization procured, imported, and distributed medication, medical supplies, and biomedical equipment valued at over \$48 million to 62 partners who has served over 1.2 million patients across the Greater South of Haiti, as well as the Ouest and Nord Departments. The Organization's Infirmary St. Etienne provided over 10,000 consultations including mobile clinics ran by HFH staff and referred 157 patients for specialized medical care.

*Economy*– The objective of our Economy Program is to improve economic opportunity in the local Haitian economy by providing access to financial assistance and education to micro and small businesses and individuals in the Greater South of Haiti. Our investments focus on education, access to loans and grants, digital literacy and innovation, and locally led economic projects in communities in southern Haiti. From 2023-2024, the Organization conducted financial literacy trainings educating over 1400 individuals in financial and entrepreneurship topics. The community led VSLA groups had over 300 participants who collectively saved \$35,402. Six of our school partners maintained school gardens and we provided stipends to 19 farmers who work in the gardens.

*Emergency Relief*—The objective of our Emergency Relief Program is to provide relief in response to the 2021 earthquake that struck the southern region of Haiti.

*Haiti Ops*– The objective of our Haiti Ops Program is to cover expenses which allows the Organization's Haiti locations to run efficiently by providing a safe place of business, hiring and maintaining the appropriate administrative staff to oversee operations, and providing the tools needed to support the Organization's completion of duties in Haiti.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Organization maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

#### PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the balances and financial activities of HFH and the Foundation. All significant intercompany transactions and balances have been eliminated from the consolidated financial statements.

#### Notes to Consolidated Financial Statements

June 30, 2024 and 2023

#### 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:</u>

#### USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, checking, savings, and money market accounts, with original maturities of three months or less. At June 30, 2024 and 2023, the Organization's cash balances exceeded federally insured limits by \$2,917,724 and \$4,312,232, respectively.

The Organization is required to hold certain donor contributions in a separate bank account, for the purposes outlined in the executed grant agreement between the Organization and donor. For the year ended June 30, 2023, funds held in this separate account totaled \$16,843. The Organization was not required to hold donor contributions in a separate bank account for the year ended June 30, 2024.

#### **INVESTMENTS**

Investments in equity securities with readily determinable fair values and all debt securities are recorded at fair value. Interest and dividend income and the realized and unrealized gain or loss on investments is reported as investment income (loss) without donor restrictions in the accompanying consolidated statements of activities unless a donor or law restricts its use. If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments. Donated investments are recorded at fair value at the date of donation and are thereafter carried in conformity with the stated policy.

#### INVENTORY

Inventory consists of donated items as well as purchased goods. Purchased inventory is stated at the lower of cost (based on the average cost basis) or net realizable value and consists of emergency response buckets. Donated inventory (consisting of medicines and medical supplies) is recorded as inventory and contribution support at its estimated fair value at the date of donation, taking into consideration inventory condition and utility for use. All donated inventory is received from private organizations and is considered to be support without donor restrictions unless the inventory explicitly contains donor restrictions. The Organization only records the value of donated inventory in which they were either the original recipient of the gift, were involved in partnership with another organization for distribution, or used in the Organization's programs. At June 30, 2024 and 2023, no reserve for obsolescence has been recorded, as management believes all inventory is usable.

#### Notes to Consolidated Financial Statements

June 30, 2024 and 2023

#### 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:</u>

#### INVENTORY, continued

When the Organization receives donated inventories with specific geographic or purpose restrictions, they are recognized as support with donor restrictions. Donor restrictions are satisfied and donated inventory is released from restriction and reclassified as without donor restrictions when the donated product has been shipped. Donated inventories received with limitations, such as the provision that they cannot be distributed within the United States because the pharmaceuticals have not been approved by The Food and Drug Administration, are not considered donor restrictions; therefore, they are reported as support without donor restrictions.

#### PROPERTY AND EQUIPMENT-NET

Items capitalized as property and equipment are stated at cost or, if donated, at market value on the date of donation. The Organization generally capitalizes and reports property and equipment acquisitions in excess of \$2,000. Expenditures for repairs and maintenance are charged to expense as incurred, and additions and improvements that significantly extend the lives of assets are capitalized at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from 3 to 39 years.

#### CLASSES OF NET ASSETS

The consolidated financial statements report amounts separately by class of net assets:

*Net assets without donor restrictions* are currently available at the discretion of the board for use in operations or designated by the board for specific use. Equity in property and equipment represents amounts invested in property and equipment net of accumulated depreciation.

*Net assets with donor restrictions* are stipulated by donors for specific operating purposes or programs, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

#### SUPPORT AND REVENUE, RECLASSIFICATIONS, AND EXPENSES

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give–that is, those with a measurable performance or other barrier and a right of return–are not recognized until the conditions on which they depend have been met.

The Organization reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as reclassifications.

#### 2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:</u>

#### SUPPORT AND REVENUE, RECLASSIFICATIONS, AND EXPENSES, continued

The Organization reports donations of property and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash and other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Special events consist of revenue generated from the Organization's annual gala events and is recognized when earned. For the years ended June 30, 2024 and 2023, special events revenue is recorded gross of special events related expenses of approximately \$217,000 and \$183,000, respectively and includes approximately \$359,000 and \$284,000, respectively, of contributions raised from the events.

Donated goods (including medicines, medical supplies, solar chargers, lights, tarps, food, clothing, other supplies, water filters, and other donated items) are recorded at fair value at the date of the gift.

Donated medicines are recorded based on the principal market, or if there is no principal market, the most advantageous market. Other donated medicines have been valued according to an average of current market data derived from international pricing to obtain a reasonable fair market value.

Expenses, including advertising expenses of \$55,081 and \$97,115 incurred for the years ended June 30, 2024 and 2023, respectively, are reported when costs are incurred. The consolidated financial statements report certain categories of expenses that are attributable to one or more programs or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. These expenses include salaries and related benefits, depreciation, and other expenses. Salaries and related benefits are allocated based on average estimates of time and effort by employees. Depreciation is allocated based on square footage and the programmatic purpose of the asset being depreciated. Costs of other categories were allocated based on programmatic purpose of the employees directly affected by the expense.

#### 8. CONCENTRATION:

During the year ended June 30, 2024, six donors gave 60% of total contributions. During the year ended June 30, 2023, three donors gave 32% of total contributions. Additionally, during the year ended June 30, 2024, the Organization received 99% of total donated goods from three donors. During the year ended June 30, 2023, the Organization received 96% of total donated goods from two donors. The Organization's operations and program activities could be impacted if these donor relationships were to be terminated and could not be replaced by new donors with comparable donations.

#### 9. RELATED PARTY TRANSACTIONS:

The Organization has contracts for program construction services in Haiti with a company owned by an individual related to the Organization. Program expenses incurred under these agreements totaled approximately \$203,000 and \$317,900 for the years ended June 30, 2024 and 2023, respectively. As of June 30, 2024 and 2023, there were no amounts due to the related party.

#### 10. POST-RETIREMENT BENEFITS:

The Organization sponsors a defined contribution retirement plan (the Plan), which covers substantially all fulltime employees. Employees are eligible to make contributions and receive matching contributions after completing 90 days/250 hours of service. Contributions to the Plan are held by the Plan custodian. Employer contributions to the Plan are discretionary. The Organization's contributions to the Plan totaled \$24,795 and \$21,944 for the years ended June 30, 2024 and 2023, respectively.

June 30, 2024 and 2023

#### 11. FAIR VALUE MEASUREMENTS:

The *Fair Value Measurements and Disclosure* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Organization uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following tables present the fair value measurements of assets and liabilities recognized in the accompanying consolidated statements of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy at June 30, 2024 and 2023:

	Fair Value Measurements at June 30, 2024

#### 11. FAIR VALUE MEASUREMENTS, continued:

Changes in valuation techniques: None.

Methods and assumptions used by the Organization in estimating fair value are as follows:

*Valuation techniques:* Fair values for stocks and equities are based on quoted market prices in an active market. The fair value of mutual funds is based on the net asset value (NAV) of the underlying investments in the fund. Corporate bond fair value is based on yields currently available on comparable securities of issuers with similar credit ratings.

#### 12. DONATED GOODS:

Donated goods for the years ended June 30, 2024 and 2023, included in the consolidated financial statements were as follows:

	Year Ended June 30,			
	2024	2023		
Medicines and medical supplies	\$ 48,448,434	\$ 31,232,811
