

A NATIONAL FUNDRAISER FOR CLEAN WATER IN HAITI

BUCKETS OF HOPE

This September and October, businesses and communities across the country unite to fill buckets and change lives — Join the movement. Fill a bucket. Change a life.

Buckets of Hope gives your organization a meaningful way to align your brand with a trusted nonprofit while engaging employees, customers, schools, churches, sports teams, and community groups in a simple yet powerful fundraising initiative.

By becoming a sponsor, you demonstrate corporate social responsibility, strengthen community connections, and help create lasting change for Hope for Haiti's WASH program — one bucket at a time.

How It Works

1

Sign up online

Register your team, workplace, or group to participate in the campaign.

2

Fill your bucket

Gather support from friends, family, neighbors, and coworkers throughout August and September.

3

Send it in

Before October 15, mail a check for your total or donate through your fundraising page.

Add-On Opportunities Amplify your impact at any level

Match Challenge Sponsor

Match donations during a specific week of the campaign.

Prize Sponsor

In-kind items for top classroom fundraisers — pizza parties, movie passes, prizes.

Toolkit Sponsor

Fund classroom materials and their shipping to schools.

Bucket Sponsor

Underwrite the buckets provided to participating groups.

Did You Know...

The need for clean water in Haiti is urgent — and the gap is growing. Your sponsorship meets it directly.

43%

of people in rural Haiti have access to basic drinking water — a decline from previous years.

51%

of the 13,626 improved water sources recorded in Haiti in 2022 were actually operational.

25%

of households have access to adequate handwashing facilities with soap.

70%

of Haitians lack quality sanitation systems, risking cholera, typhoid, and other illnesses.

We Can Make a Difference

\$65

Provides a family with an in-home water filtration system — filtering up to **1 million gallons** of water.

\$300

Provides hygiene materials for schools.

\$7,500

Covers the cost to dig a well — clean drinking water for **500 community members**.

\$45,000

Provides a full sanitation block — toilets, handwashing stations, and water access.
